PERMANENT MAKE-UP

Get 10% off ANY permanent make up procedure
throughout the months of May, June and July...

Get Ready for Summer!!!

Do you hate having to keep re applying your make up? Get frustrated that it smudges during the day? Not look forward to activities, sunbathing or swimming, as your fear of smeared make up will arise? Then why not prepare your face now, ready in time for those hot summer months!!

Permanent Make Up is the placement of pharmaceutical grade pigments into the dermal layer of the skin using the most advanced technology.

Permanent Make Up may be used to enhance your features or to create perfectly applied make up so you will look your best at all times.

Each client's individual features, skin tone, personality and expectations are discussed thoroughly prior to treatment so that maximum satisfaction will be achieved.

Charlie uses the most up to date digital equipment from Nouveau Contour, to ensure the highest standards of quality, hygiene and safety. She has been trained to use the latest techniques available to ensure every client will have the very best experience of Permanent Make up.

Get 10% off ANY permanent make up procedure throughout the months of May, June and July at Exquisite Beauty and Tanning, Chelmsford, Essex.
